KALKI
DHARMASTHALI

BIGGER THAN YOUR IMAGINATION

The Lord Kalki (the last avatar of Lord Vishnu, who has taken birth in Bharat as per Hindu Mythology) is saviour and the guiding force of life in all forms that thrive on Earth. He chose Hastinapur as his "Karmbhoomi" to restore the Dharma. This ideology and a vision to create green spaces amidst the growing concrete jungle laid the foundation of Dharmasthali...

It truly carries forward the legacy of Hindutva from the ancient of Hastinapur, the First Capital of Bharat...

ESCAPE TO A DIFFERENT WORLD

Smoggy morning, noisy afternoon and bright nights, that's how our present life is? Residing in a concrete jungle, we are constantly surrounded by sound and air pollution. Dharmasthali, Hastinapur is an endeavour to bring to life a vision of perfect and peaceful living amidst blue skies and lush green fields, mesmeric sunsets and a chorus of rare birds.

Dharmasthali, truly is a little piece of paradise that offers more than the maximum. It is an enviable combination of the right investment and healthy living vastly spread in the lap of uninterrupted nature. It stimulate you to experience eco-friendly living and the best escape to a peaceful world.

BRINGING SOUL AND SOIL TOGETHER

Dharmasthali, is a MDA approved lay-out strategically located on the Six-Lane Meerut-Pouri Express Highway. It is well accessible from Delhi, Merrut and Dehradun.

Nestled in lush green where Dharma is in the air, Dharmasthali offers:

Second home concept with Open Plots, Farm Houses and Customized villas...

EDIFICE PRODIGY

And, for those who wish to have a home in the lap of nature devoid the sound and air pollution. Dharmasthali offers 30 exclusive Farm Land Plots of 777 Square Yard each and 18 exclusive Farm Villas of 500 Square Yards each, built with a unique architectural design that promise to blend style, comfort, luxury and tranquillity.

THE WAY TO BECOME AN URBAN FARMER

Ever wondered how it feels like.

To cook a meal out-of-the veggies grown at your farm?
Smell the flowers blossomed out-of-the piece of soil that you own?

Enriching isn't it?

Yes, for those who wish to get back to their roots and reconnect with Mother Nature, choosing the open plots is the best option.

Available in different sizes, here's what an offer:

3 Years of free maintenance, taking care of the seed-to-yield journey.

Cultivated vegetables, fruits and flowers would be given to the plot owners.

An Urban Farmer Privilege Card will be issued to the plot owner.
